

Why China Ease?

Identifying with your goals and needs is a necessity to provide you with exactly what you want - exactly when you want it.

- The success of China Ease is measured directly by yours!

At China Ease we take pride in our integrity because we are respectful, responsible, considerate and always aim to keep our promises. We reach results through small means, simplicity and strict attention to detail. China Ease is your cost-conscious local China office!

- We make sourcing easier and offer total solutions that can limit your number of suppliers in China to one!

We want our costumers to be sure that the manufacturers we work with live up to environment protection standards as well as labor standards. And that we also in this area work pro-actively.

- China Ease makes sure that your ethical standards are respected!

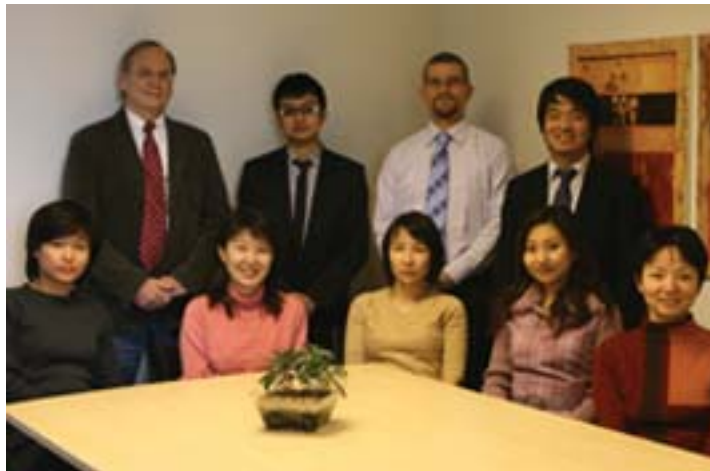

Quotes from current costumers:

"... China Ease has made it possible for us to lower costs on our aluminum range considerably without any pay-off in quality. We now view China Ease as our local purchasing and quality control office in China"

"...The past year we have tried to develop a special product but only when we involved China Ease were we presented with the optimal solution"

"...It's much easier and more flexible to have a man on the ground in China and we cannot do it cheaper than what we pay China Ease"
